## ESFA B Team National Cup

This competition is for 'B' team players only. Any player that has represented the school in the ESFA National Cup cannot do so in the B team competition.

## Shropshire County Cup

The new rules bought in by the SSCFA in 2015-16 have been continued. The rules states that the amount of Academy players on the pitch at any one time should be equal and agreed by team managers prior to fixtures. In effect this means that if an opposing school has one Academy player the Thomas Telford can only have one Academy player on the pitch at any time during the match, and if an opposing school does not have any Academy players, then Thomas Telford will not be permitted to play any.

## Telford & Wrekin District Cup

There is a gentleman's agreement in place that Thomas Telford School will field 'genuine' B teams for this competition.

## Telford & Wrekin District Plate

This competition is for teams that are knocked out in the 1<sup>st</sup> round of the Telford & Wrekin District Cup and B teams (C teams in the case of Thomas Telford School).

## Friendly Fixtures

The amount of Academy players available for selection is in agreement with the opposing schools teaching staff.
