

Y6 Art Challenge

A BIG hello to all of our upcoming TTS students from the Art Department! We'd love you to complete ONE of the 3 challenges below – it's your choice!

Challenge 1

Create a line drawing!

Set up some different objects from the kitchen and make a line drawing of them ...overlap your lines and objects to make a really interesting composition

Challenge 2

Make a food face!

Make a 'portrait' out of one of your meals – think about how you can show the eyes, mouth and nose ...also consider adding hair or other features
Take a photo of your food face once completed!

Challenge 3

Create Art on a teabag!

Empty a teabag carefully and use paint or pens to make it into a piece of artwork. Use some imagery you've found online to help you when drawing out your images

Good luck and we look forward to seeing you soon!
