

Are you ready for the challenge?

Welcome Year 6

My name is Mr Nicholls and I am the Head of Year 7. We very much look forward to welcoming you to Thomas Telford School when it is safe to do so. The school has been a very different place for the last few months but our caring approach remains and we are adapting to the new normal for the time being. Induction day for Year 6 this year will take place virtually. You will have seen already the induction video which should have given you a brief insight into life at Thomas Telford School. Please stay safe, look after yourselves and if have any questions or concerns, please do not hesitate to get in touch.

Welcome to the TTS family and I look forward to welcoming you properly to the school really soon. Enjoy the challenges that our teaching staff have set for you. There are lots of fun subject based activities for you to do during the summer holidays.

Best Wishes

Mr Nicholls

The TTS Challenge Pack

Over the next 3 weeks we will be setting you some great subject specific challenges to complete at home during the summer break.

Please bring your completed challenges with you to school when we return. Happy Learning!
